BZA APPLICATION CHECKLIST

A complete application consists of all applicable items listed below submitted in digital PDF format.

The Application Form

The Owner is the Applicant by default, unless there is a tenant to be included. An Agent, if applicable, is representing the Applicant, and cannot be the Applicant.

Statement in Support (See instructions on form)

Notarized Affidavit Form and Label Sets (See full instructions on form; some are provided here)

- The "Proximity Report" listing the surrounding property owners can be obtained at the Franklin County Auditor's office. Similar reports can also be obtained on the applicable County Auditor website.
 - From the Franklin County Auditor's website, after having opened the subject property record, select the Mapping page and run a 125-foot Buffer Search around the property (including contiguously-owned property), and generate the Proximity Report to obtain an Excel list of surrounding property owners.
- The mailing labels are emailed with the application as an Avery #5160 formatted Word document. This document can serve as the "Proximity Report" referred to on page 6.
 - Use the owner's mailing address by default, instead of the property address when they differ.
 - For owner-occupied dwelling units, please also include "or Current Occupant" after the owner(s) name.
 - If property owners appear on the list more than once, please provide only one mailing label.

Notarized Project Disclosure Statement (See instructions on form)

Zoning Number (required only for property that does not already have an existing address):

A Zoning Number can be obtained by contacting BZS-GIS@columbus.gov.

Power of Attorney

If you are an applicant or agent who does not own the subject property, and you are not the owner's attorney, an engineer or an architect licensed by the State of Ohio, you must submit a power of attorney from the owner.

STATEMENT IN SUPPORT OF VARIANCE(S)

3307.09 Variances by Board.

- A.** The Board of Zoning Adjustment shall have the power, upon application, to grant variances from the provisions and requirements of this Zoning Code (except for those under the jurisdiction of the Graphics Commission and except for use variances under the jurisdiction of the Council). The board shall take into account all of the following facts and conditions when considering variances:
1. Whether the property in question will yield a reasonable return or whether there can be any beneficial use of the property without a variance.
 2. Whether the variance is substantial.
 3. Whether the essential character of the neighborhood would be substantially altered or whether adjoining properties would suffer a substantial detriment as a result of the variance.
 4. Whether the variance would adversely affect the delivery of governmental services (e.g., water, sewer, refuse service).
 5. Whether the property owner purchased the property with knowledge of the zoning restriction.
 6. Whether the property owner's predicament feasibly can be obviated through some method other than a variance.
 7. Whether the spirit and intent behind the zoning requirement would be observed and substantial justice done by granting the variance.
- B.** In granting a variance, the Board may impose such requirements and conditions regarding the location, character, and other features of the proposed *uses or structures* as the Board deems necessary to carry out the intent and purpose of this Zoning Code and to otherwise safeguard public safety and welfare.
- C.** Nothing in this section shall be construed as authorizing the Board to affect changes in the Zoning Map or to add to the uses permitted in any district.

List all sections of Code to be varied and explain your reasoning as to why this request should be granted.

PLEASE NOTE: It is the applicant's responsibility to identify all variances required for the project. If any necessary variances are not included, a new application (and applicable fees) will be required.

I have read the foregoing and believe my application for relief from the requirements of the Zoning Code demonstrates practical difficulty as contemplated by C.C. 3307.09(A), in the following ways (use separate page if needed or desired):

Board of Zoning Adjustment Application

STATEMENT IN SUPPORT OF SPECIAL PERMIT REQUEST

3307.06 Special Permits.

The board of zoning adjustment shall have the power:

- A.** To grant special permits for uses listed in Chapter 3389 where it is shown that the special use can be granted without substantial detriment to the public good, without substantial impairment of the general purpose and intent of the zoning district in which the use is proposed to be located, and without significant incompatibility with the general character of the neighborhood.
- B.** To grant special permits for the relocation or expansion of nonconforming uses, where it can be shown that the relocation or expansion of the nonconforming use can be granted without substantial impairment of the general purpose and intent of the underlying zoning district, and without significant incompatibility with the general character of the neighborhood. No expansion of a nonconforming use shall exceed 50 percent of the total floor area the original nonconforming use occupied.
- C.** To impose such requirements and conditions regarding the location, character, and other features of the proposed uses or structures as the board deems necessary to carry out the intent and purpose of the Zoning Code and to otherwise safeguard the public safety and welfare.
- D.** Upon application by the city attorney, to revoke any special permit whose condition has been violated after notice and opportunity to conform have been given.
- E.** To grant special permits for the relocation or expansion of nonconforming uses, where it can be shown that the relocation or expansion of the nonconforming use can be granted without substantial impairment of the general purpose and intent of the underlying zoning district, and without significant incompatibility with the general character of the neighborhood. No expansion of a nonconforming use shall exceed 50 percent of the total floor area the original nonconforming use occupied.

List all sections of Code relevant to your Special Permit request and explain your reasoning as to why this request should be granted.

PLEASE NOTE: It is the applicant's responsibility to identify the Special Permit required for the project. If the necessary Special Permit is not requested, a new application (and applicable fees) will be required.

I have read the foregoing and believe my application meets the criteria of C.C. 3307.06 in the following ways (use separate page if needed or desired):

- Applicants must confirm whether the subject site lies within the boundaries of an Area Commission, recognized Neighborhood Group, Historic Architectural Review Commission, or Design Review Area. Information can be obtained from the Columbus Zoning Map, at CbusAreaCommissions.org, or the [ONE Map \(gis.columbus.gov/one\)](http://ONEMap(gis.columbus.gov/one)); search by address or parcel ID. - The City of Columbus makes no determination whether a property contains area(s) that might be classified as wetlands by the Army Corps of Engineers and the Ohio Environmental Protection Agency; nor does approval at the public hearing imply the site has complied with wetlands guidelines. It is the applicant's responsibility to determine if wetlands exist on the site.
- A traffic impact and/or access study may be required by the Department of Public Service, Division of Traffic Management; the applicant should make contact for this determination as early as possible. All traffic studies must be submitted forty-five (45) days prior to the deadline for the public hearing agenda.
- The Development Department Planning Division, as part of the variance or special permit process, reviews applications for consistency with adopted city plans. As part of that review, detailed information such as a site plan or building elevations may be requested. Contact the Planning Division at planninginfo@columbus.gov or 614-724-4437 for more information.
- For properties undergoing annexation, applications cannot be accepted until the County Commissioners have approved the annexation petition.
